FIG. 3

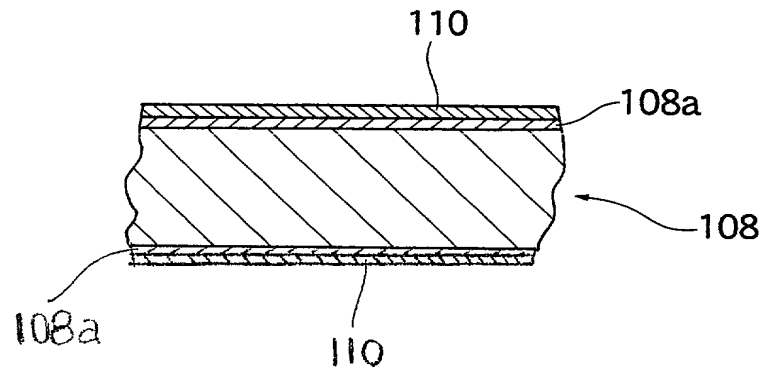

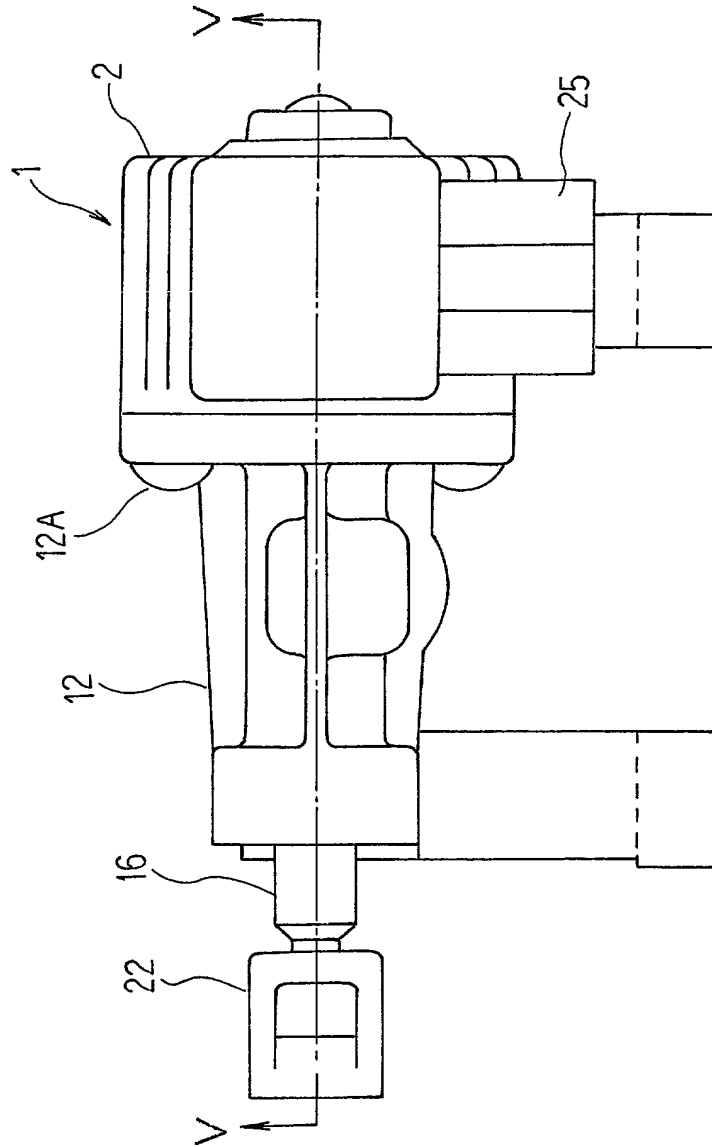

FIG. 4

Technical drawing of a mechanical assembly in cross-section, showing a central shaft with various components and seals. The drawing includes labels 1 through 31 and 50, and view indicators VI and VII.

Key components and labels:

- 1**: Outer housing or casing.
- 2**: Seal or gasket.
- 3**: Internal component, possibly a bearing or bush.
- 4**: Seal or gasket.
- 5**: Internal component, possibly a bearing or bush.
- 6**: Seal or gasket.
- 7**: Internal component, possibly a bearing or bush.
- 8**: Seal or gasket.
- 9**: Internal component, possibly a bearing or bush.
- 10**: Seal or gasket.
- 11**: Internal component, possibly a bearing or bush.
- 12**: Seal or gasket.
- 13**: Internal component, possibly a bearing or bush.
- 14**: Seal or gasket.
- 15**: Internal component, possibly a bearing or bush.
- 16**: Seal or gasket.
- 17**: Internal component, possibly a bearing or bush.
- 18**: Seal or gasket.
- 19**: Internal component, possibly a bearing or bush.
- 20**: Seal or gasket.
- 21**: Internal component, possibly a bearing or bush.
- 22**: Seal or gasket.
- 30**: External component, possibly a flange or mounting bracket.
- 31**: Seal or gasket.
- 50**: External component, possibly a flange or mounting bracket.

View indicators:

- VI**: View from the left side.
- VII**: View from the right side.
